Discord Wikis

Goal

Discord Wiki takes conversations from Discord servers and channels and transforms them on the fly into an indexed Wikipedia of relevant information.

Tap into conversations that matter.

Indexed Information is such power, unindexed information is... sub-optimal.

Project Components

Dynamic Wiki

- Process hundreds of thousands of messages by server, by channel

- Generate website on-the-fly based

  on user query.

Content Analysis

TimeLine

Character Profile

Specifics:

- What we'll refine

  HTML, Javascript, CSS, Python

- What we'll develop

  An ingenious fingerprint algorithm(hard)

  Complete website, Complete aesthetic

- Follow the project
